## GAUTECH 2026

Bharat's one of the biggest swadeshi expos is scheduled to take place from **20 - 23 March 2026**. Following its stupendous success with its maiden event at Rajkot, this second edition of GAUTECH aims to bring together visionaries, innovators, entrepreneurs, and industry leaders under one roof to discuss, showcase, and celebrate advancements in technology that can transform industries and improve everyday life.

GAUTECH 2026 is more than an event – it is a movement to empower Bharat's growth story through innovation, collaboration, and sustainability by bringing together diverse minds. It aims to accelerate the adoption of technology that is inclusive, scalable and impactful. So, mark your calendars! Pune is ready to welcome you to a future where technology meets tradition, and ideas turn into reality.

GAUTECH 2026 is expected to attract startups, buyers, investors, policy makers, technologists, academia and new entrants from across India and abroad. Whether you are a business owner exploring digital transformation, a farmer seeking new solutions, or a student passionate about tech, GAUTECH has something for everyone

### “Technology for Bharat – Local Innovation, Global Impact”

GAUTECH 2026 focuses on bridging the gap between traditional knowledge systems and modern technological solutions, creating a roadmap for sustainable growth basis the Bos Indicus. The event will highlight sectors like Innovations in the field of Panchgavya, Smart farming solutions and Panchgavya-based innovations for natural farming, Green Energy & Sustainability, Robotics, IoT, and digital twins that boost production efficiency, Healthcare and breakthroughs in biotechnology for rural India.

## ORGANISER - GCCI ( GLOBAL CONFEDERATION OF COW BASED INDUSTRIES )

**GCCI** is a pivotal organization that aims to harness the vast potential of cows for sustainable development. Working at the intersection of entrepreneurship, innovation and animal welfare, **GCCI** is the first non-profit organisation focussed on the development of cow-based products. It serves as an interface for cow **entrepreneurs, technocrats, trainers, marketers, businessmen, NGOs, stakeholders, central government, state governments, corporates, and agencies**. It collaborates with the government and manufacturers, proposing sustainable strategies for the industry, while also advocating for humane treatment of cows and encouraging revenue generation through cow-derived products thus promoting Cow **Entrepreneurs, Marketers, Distributors, Gaushalas, Trainers, Innovators for Panchagavya based products**.

GCCI's vision & mission aligns with the **"Atma Nirbhar Bharat"** and **"Make in India"** of Honourable Prime minister **'Shri Narendrabhai Modi'** initiatives, promoting cow-based economy through initiatives like **"Go-Dhan"** and **"Gobar to Gold."** The organization is recognized for its role in promoting cow-centric entrepreneurship and sustainable practices. The organization's mission is to create a cow-centric economy that uplifts communities. **GCCI's** initiatives are also recognized by the Union Ministries which has praised the organization for establishing a new dimension in the organized industry of cow-based products.
